Meditation and Communion

Linda started off speaking about a book, "Light in the Darkness", written by James Keller. She posed the question about Harmony, can that solve world problems? Living in harmony is one of the things we can do to please God. Jesus say to deny ourselves, think of others first. Stumbling blocks to harmony are: forcing someone to go against their convictions and doing what seems right to us but is sin to someone else. World Peace (or harmony) is accomplished one person at a time.
